Sorry for the delay in transmitting this, we will be more timely on subsequent reports.

I had only a few tweaks. I had hoped that we would also have Louisiana NPL sites and a bit more descriptive info about the status but we need to launch this so I am flipping it to you.

Since Sam is on travel, let us know if we should launch it after you have had a chance to add your thoughts

**Carl E. Edlund, Director**  
**Superfund Division**  
**EPA Region 6**
